30th ACEC Closed for Memorial Day

Parents:

I hope this letter is finding all of you well. I know that we have had a lot of sickness going around our room and I promise that we are doing everything we can to keep the spread of germs down. We will be so glad when we have all of our friends healthy and back in class because the next few months are packed full of fun for our Tigger classroom.

In the month of March, we will be learning about the letters I through M, Dr. Seuss's Birthday, St. Patrick's Day (the 3 leaf clover and the Trinity), God's Promise (the rainbow), and Spring. In April, we will continue talking about spring and will do many fun things to learn about the Easter story. We will also continue with our letters which will take us to N through Q. In May, we will talk about Mother's and Memorial Day, as well as the letters R through V. Also, if anything comes along of interest that we can participate in, we will definitely take advantage of an opportunity!

It is our hope to fly some kites, learn some Bible stories, and teach your children so much more in the months to come! Thank you again for allowing us the opportunity to be your child's teachers. If you need anything or have any ideas please let us know!

Sincerely,

Ms. Loren and Ms. Beth

Genesis 9:16

"Whenever the rainbow appears in the clouds, I will see it and remember my everlasting promise to every living animal on earth."
